Mix it Up Monday After School Club

28th April to 19th May bookings

Our Monday After School Club with Plymouth Argyle is ready to book online through to 19th May. Please click [HERE](#) to book your child's place.

Dear Parent(s)/ Carer(s),

It's difficult to believe we have almost reached the Easter holidays. This term seems to have flown by, not least because of all the exciting visits and extra curricular activities that have been taking place. Yesterday we welcomed Kate, our OPAL mentor, back to Lapford for our final audit. During the afternoon Kate observed our lunch play time and then worked with the play team to audit our provision. Although her judgement will mark the end of our OPAL journey, this is certainly not the end of our commitment towards making play the best it can be. We have come to realise that play is continually changing and our provision needs to adapt with the children that it is serving. We will continue to welcome donations and continue to strive to improve our offer around play. Hopefully, if yesterday afternoon went well, we can continue to work with OPAL as a model school for visits and open events for other schools wishing to embark on their OPAL journeys. Watch this space!

Last week we welcomed professional athlete Lele Nairne to our school to host our sponsored circuit event. The children did so well with their fundraising and we were delighted to be able to award several prizes to our top fundraisers. It was very exciting to meet Lele and find out more about her sport, judo. The children had many questions for her, particularly about her trip to Paris Olympics in 2024.

Alongside our circuit, one child decided to create his own fitness, fundraising opportunity by planning and carrying out a sponsored run. Oliver Bunce, in Year 3, worked incredibly hard to collect sponsorship for his run and managed to complete a very impressive, 21 laps of the field. He was cheered on by the whole school and several children supported Oliver by running laps alongside him. We were absolutely delighted and very grateful to receive over £600 from Oliver's amazing fundraising.

What an absolute superstar!

On Wednesday of last week, we were joined by Stewart and Caroline from Exeter Synagogue who carried out workshops with Robins and Herons who have both been learning about Judaism in their RE recently. Unfortunately, the synagogue is no longer able to host school groups so having a visit from those practising the religion, really helps to bring the learning to life for our children. Once again, our visitors commented on how knowledgeable, polite and inquisitive our learners were.

Friday was our annual Robins Mother's Day assembly. This is always such a lovely event and this year I was very disappointed to miss it, as I was in the classroom with Herons. I hear the children performed brilliantly and shared reflections about their Mums with confidence. I gather the cake wasn't too bad either!

A huge thank you to all those children that volunteered to take part in the Mother's Day service at St Thomas' church on Sunday. It was wonderful to have so many willing volunteers and again the children did themselves proud with some thoughtful poems about the special women in their lives.

I have lost count of the number of people who expressed their gratitude to the children for attending and I am also extremely grateful to all the parents and carers who sacrificed a Sunday lie-in to attend and support the children. We look forward to forging stronger links with the local church over the coming months.

Have a fantastic week and a well deserved Easter break when it arrives.

Mrs Wright

Kingfishers Spotlight

Kingfishers have had a brilliant term this Spring and the best place to begin is definitely with our Year 3 residential. Mrs Cookson and Mr Pooley were blown away by how mature and polite the children were, along with how bravely they took risks and entered out of their comfort zones! It was such a holistic learning experience that I hope they remember fondly!

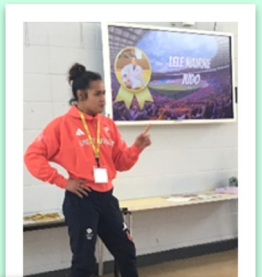

We have also enjoyed our Memorable Moment this term for Geography where we were able to connect with employees of The MET Office who talked to us about weather and our unit 'Extreme Earth'. It was brilliant hearing about their love of Geography, the careers they have pursued in this area and how extreme weathers can be predicted and planned for.

We've been getting sporty this term too, with our visit from professional athlete,

Lele Nairne. We took part in sponsored activities and learnt more about her career within the world of Judo. It was interesting to learn about how her love a sport led to travelling the world and representing her country. Most of us had never heard of Judo so this was new too!

We celebrated Oliver who independently raised money for our school by running not 1, not 10, but 21 laps of a part of field! His stamina was admirable, and all his classmates felt so proud of him and his achievement.

Well done Oliver!

School Lunches

MyEd + Pay £2.50

Please order by midnight the day before

*

If you miss this deadline please provide your child with a packed lunch
