## Dear Parent(s)/ Carer(s)

### Robins Update

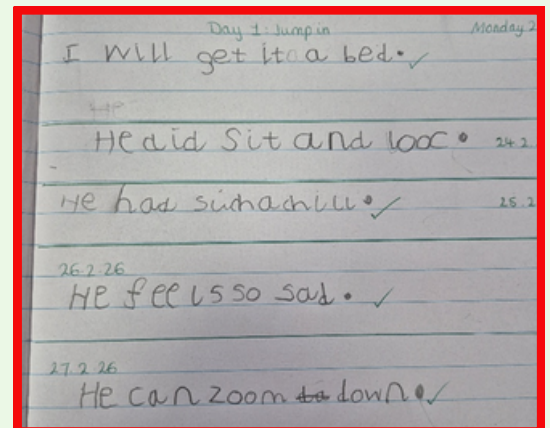

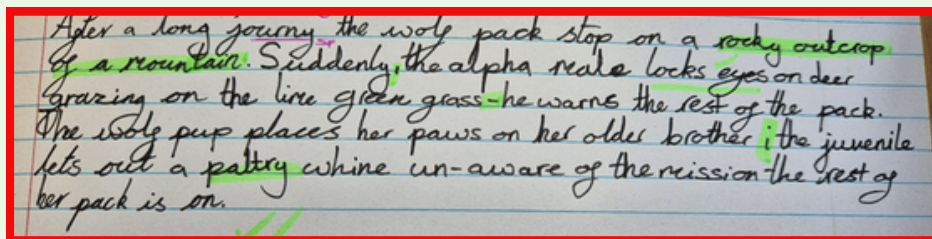

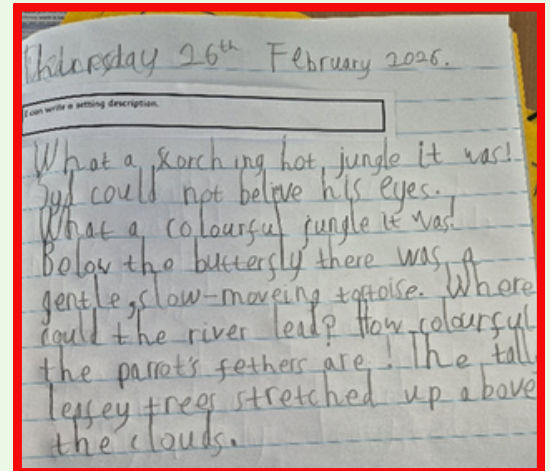

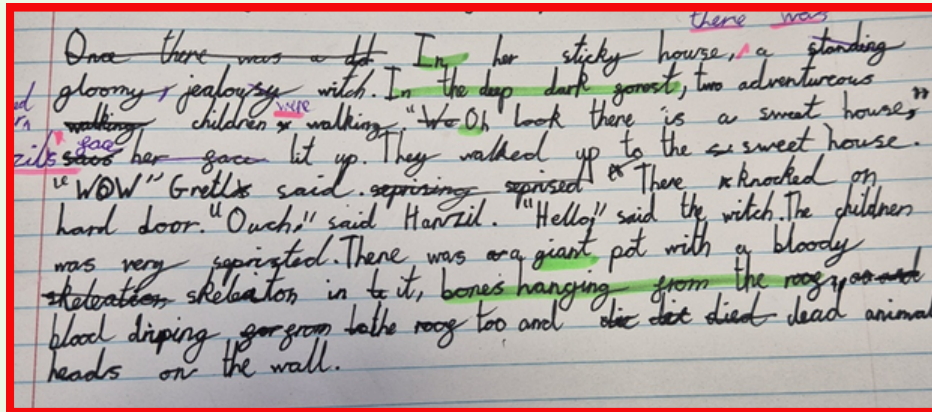

Our Robins are thoroughly enjoying exploring their new classroom. They have settled in beautifully and are already making the most of the space.

Their move has also enabled us to prepare for the imminent opening of our new Nursery, which is a very exciting development for our school community. The children are currently returning to the Nest to enjoy the outdoor area, and we are hoping that work will begin on their new dedicated outside space this week. We cannot wait to see this take shape.

## Writing

In line with our school improvement priority for writing, this week the whole school has begun using our new writing scheme. There has been a real buzz in classrooms as we have shared a range of beautiful, high-quality texts. It has been wonderful to see how inspired the children have been, and we have already been amazed by the quality of writing being produced. We are very much looking forward to seeing this continue to flourish over the coming weeks.

## The Bookery visit

On Friday, we were delighted to welcome The Bookery into school. They brought along their 2026 Top Titles and shared excerpts with the children, sparking lots of enthusiasm and discussion. Many children chose to purchase books, and our visitors commented on how brilliantly the children listened and how thoughtfully they asked relevant questions. A huge thank you to FLS for generously funding the purchase of a set of these titles for our school library – this will make a lasting difference to the reading opportunities we can offer.

## Lambing Bingo

Finally, Lambing Bingo will be starting in the next two weeks! Tickets are available from the school office at £5 per strip. Each time a lamb is born, the number will be shared in the WhatsApp and Facebook groups – simply tick off your numbers for a chance to win. There are prizes for one line, two lines and a full house. It promises to be great fun, so make sure you grab your tickets.

Have a wonderful week.

# Save the Date: Parent Power Day Saturday 9<sup>th</sup> May

Dear Families,

Winter is here, and with it comes a wonderful opportunity for children to explore, discover and grow through outdoor play!

While the colder temperatures might tempt us to stay indoors, time outside at playtimes has many benefits; the children have enjoyed playing with ice, splashing in puddles and building waterproof dens.

Since September 2025, we have only had four indoor playtimes, which have been due to severe wet weather.

We are beginning to see tiny hints that Spring is on its way! We have spring flowers popping up adding splashes of colour around the playground. Seeing the flowers (and the occasional glimpse of sun) has got us thinking about outdoor jobs which we are keen to start. We are looking forward to finishing painting the walls surrounding the playground and in Badgers Seek, treating the wooden outdoor sheds and tending to the flower beds. We plan to build a wildlife area consisting of a bug hotel and small water source.

**We have a Parent Power Day booked for Saturday 9th May so please keep an eye out for further information regarding this!**

## OPAL UPDATE

We are very excited to announce that our new outdoor music area is up and running. A big 'thank-you' to Mr Pooley for overseeing this new project.

We have recently received a drum kit, which has now been set up, and the children are really enjoying this (apologies to our neighbours!). The next thing we will be introducing is a music wall which will include a variety of different musical instruments.

## Skipathon

Plans are underway for a fundraising initiative organised by some of our Year 6 students. We will hold our very first 'skipathon' at St Thomas of Canterbury and we are all getting very excited about it. Funds raised will go towards supporting our outdoor play and learning projects. More details will follow soon.

## Mastery Play in action

Many pupils have learned to ride a bicycle at our school because we have been lucky enough to have received donations of bikes and scooters for the children to use at playtimes. This type of play is known as mastery play. Through mastery play, children can continue to repeat their newly learned skills over and over again, however, they can only do this at school if we have the equipment for them to use.

With this in mind, we are requesting donations of bikes and scooters that are no longer required and are in working order (pumped up types, working brakes etc). If you have a donation, please leave them at our school reception or speak with Mrs Mills who can arrange for collection if this helps.

As always, thank you for your continued support and if you have any questions regarding outdoor play or donations, please do not hesitate to speak with Mrs Mills.

From the OPAL Team

**A polite request – please help us to keep the children safe by not allowing them to use the outdoor play equipment before school starts at 9:00am and after 3.30pm.**

**Thank you**

# Our School Our World Spotlight

With the better weather (hopefully) here to stay we are very excited in Eco Club for some upcoming projects!

Our big news which we are delighted to share is that we were lucky enough to win an award for £500 from the OVO Foundation! Woohoo!

The OVO Foundation is a climate-based charity who specialise in supporting schools to make green and sustainable choices and actions. Last term, I wrote to the charity explaining our plans and they loved our idea so much we've won some money to achieve our goals! Here is a part of the email to summarise:

*Dear Mr Skinner,*

*We are delighted to inform you that your school has won a £500 OVO Foundation Nature Prize in the **Adaptation and Resilience Category**! We had nearly 200 applications, but the judges thought your application was unique and can't wait to see how you and your students will bring it to life.*

*Yours school's project was also voted as the favourite of the winning adaptation entries by OVO staff in their 'OVO People's Choice Awards' - they pass on their congratulations!*

To OVO  
 Thank you so much  
 for giving us £500  
 and help our school.

From Florence

OVO are a fantastic charity we are excited to be working with and we have already begun using the money to purchase a wormery for the school. With a wormery on site, we are aiming to begin reducing our food waste while providing better nutrition for our beautiful grounds thanks to the nutrient rich soil the worms help produce.

Once our wriggly new friends arrive, Eco Club and I will be setting up their new home just in time for Spring! Watch this space for some Wormderful (see what I did there?) updates!

Alongside our exciting OVO award, Eco Club have been hard at work helping in assemblies to inform the school on ways we can reduce energy to save on bills and better support our goal to becoming more sustainable. We have been thinking about how we can reduce energy use by turning off lights, saving paper where we can and setting up energy monitors to check in across school.

Coming up next for OSOW we will be thinking of other ways we can use the OVO prize money to create a new bug hotel for our local wildlife, ways to help clean and restore our pond in the forest school area and lots more!

Have a great week everyone!

All the best,

Mr Skinner
