Dear Parent(s)/ Carer(s)

NSPCC Speak Out, Stay Safe

On Thursday, children in Years 2, 3, 5 and 6 took part in the NSPCC's Speak Out, Stay Safe workshops. These important sessions help children understand how to recognise when something may not be right, identify trusted adults they can turn to and develop the confidence to speak out and share any worries or concerns.

Our visitors were incredibly positive about the children's participation. They listened carefully, made thoughtful contributions and asked sensible and relevant questions throughout the sessions. We were very proud of the maturity with which the children approached such an important topic.

Hérons Swimming

Also this week, Herons began their swimming sessions. The children engaged brilliantly in their first lesson, listening carefully, following instructions and approaching the session with real enthusiasm. Once again, feedback from Wendy, our swimming teacher, was incredibly positive, and we were very proud to hear how impressed she was with the children's attitude and behaviour. A fantastic start to their swimming this term!

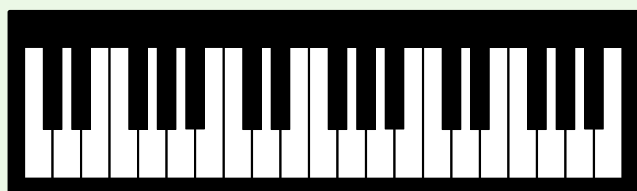

Wigs & Wacky Hair Day

At the end of the week, we held our first fundraiser of the new school year – Wigs and Wacky Hair Day! From sparkles and brightly coloured creations to some spectacular mohawks, the school was filled with wonderfully wild hairstyles, and the children certainly embraced the challenge!

The fun continued after school with our cake sale, and a huge thank you goes to everyone who donated cakes, helped out or bought a treat. Money raised from the day will be used to purchase prizes for the upcoming FLS Bingo Night, which takes place on 26th September at 7.00pm in the Victory Hall.

It promises to be another fun FLS event, raising valuable funds to support our school, and we hope to see lots of you there!

Keyboard and Violin Taster Lesson

Next week, on Thursday 1st October, our keyboard and strings teacher, Mrs Craddock, will be offering a free taster lesson to any child who might be interested in learning to play either the keyboard or violin.

Children do not need to have their own instrument to take part. If your child enjoys their taster session and decides they would like to continue with violin lessons, instruments are available to loan through Chulmleigh Academy Trust, so there is no need to purchase a violin.

If your child would like to take advantage of this opportunity and have a free taster lesson, please let the school office know by Monday 28th September.

We hope lots of children will enjoy the opportunity to try something new!

Have a great week.
Mrs Wright

Message from Ali Pook, Head of Primary Education for Chulmleigh Academy Trust

Welcome back to the start of a brand-new school year. I hope you and your families had a wonderful, restful summer break and are feeling refreshed for the year ahead.

A special welcome goes out to the families joining the Chulmleigh Academy Trust community for the very first time. We are privileged that you have chosen us to guide your child through these incredibly important early years of education.

Our dedicated central Trust team, heads, teachers and staff have worked hard to make changes and improvements to our schools, preparing classrooms and designing learning experiences.

Our primary focus remains unchanged: creating a safe, nurturing, and ambitious environment where every child feels valued and excited to learn. As a Trust, our four schools (Chulmleigh College, Chulmleigh Primary School, St Thomas of Canterbury CE Primary School and East Worlington Primary School) joined together on the Non-Pupil Day for valuable, shared training. For the year ahead, our three primary schools have joint shared school improvement priorities which enables us to use our collective intelligence and expertise to make improvements together; we are also an outward looking trust, gaining support from organisations like Devon Education Services, Jurassic Maths hub and Ilsham English Hub.

We firmly believe that education is a partnership between school and home. Your engagement, support, and communication are vital to your child's success, and we look forward to working closely with you over the coming months.

Please look out for regular updates from your school's Head of School regarding upcoming parent evenings, school events, and key dates. There are Open Mornings for all three schools coming up- please share with families who are looking for school places; the dates are:

Chulmleigh Primary School: 23rd September

St Thomas of Canterbury CE Primary School, Lapford: 19th October

East Worlington Primary School: 28th September

Thank you for your continued trust and partnership. Let's make this a fantastic year ahead for our children.

Remembering Steve Baber

Everyone at Chulmleigh Academy Trust was saddened to hear of the passing of Steve Baber at the end of the summer holiday. Steve has been associated with Chulmleigh Academy Trust since the Trust began and fulfilled the role of Chair of the Trust Board from 2013 until July this year. For so many of us, Steve was a symbol of stability, continuity, wisdom and kindness. It is unusual perhaps for volunteers such as governors and trustees to stay in post for as long as Steve did – but in Steve’s case it was not a surprise. Steve was a passionate advocate for young people and understood the importance of education in improving their life chances. He was a steadfast in his view that pupils from disadvantaged backgrounds needed particular care and attention – but not just hot chocolate, cake and a pat on the head – that they needed good education and qualifications to gain the opportunities children from more privileged families enjoy and take for granted. Moreover, Steve recognised that education was a force for positive change and was adamant that all pupils should meet their potential. Steve leaves a legacy in this Trust for all those pupils whose life chances were improved because they came to our schools.

Like almost all the senior staff in the four schools of this Trust, I was appointed by Steve Baber. Most recently, it was Steve who made the call to inform me that I had been appointed by the board to follow Mike Johnson as Executive Headteacher and Trust Chief Executive. He took the responsibility of his role seriously and knew he was accountable not only to the Trust and the Department for Education but to the families we serve. Steve represents a key figure in my career and I know to the careers of many. He was a source of endless encouragement and advice to me and that is something that personally I shall always remember and be grateful for. The particular ability that Steve had was to be supportive without smothering and challenging without offending. He was very clear about the values of this Trust and the importance placed on care and achievement and he held the leadership to this. There was also something incredibly reassuring having Steve as our Chair of Trust in that I always knew I could rely on his support, even when making a difficult decision – as long as it was the right one, and he would keenly rehearse the rationale behind my decision making with me. Steve would call himself our wing-man and that made what can be a challenging job running schools feel a lot easier for all four of us as Headteachers in this Trust. All of us in the Trust were grateful for his constant support.

Steve believed in community and I know how much West and East Worlington meant to him and indeed how much Steve meant to this community. Steve was at the centre of so much that is good in this community and I know his loss will be felt by his friends and neighbours as much as it is in our Trust of schools. We are saying goodbye to such a good friend and neighbour.

Like many of us, I will remember Steve with such affection and fondness. As much as we will miss the man, we must also celebrate all that he did and was. The contribution that Steve has made to this community will live on for a very, very long time.

We have had so much fun in Upper Robins Class over the past couple of weeks. Myself (Mrs Cookson), Mrs Skinner and Mrs Burrow have been so proud of how well the children have adapted to their new teachers, classroom and routines. They welcome Lower Robins into the class beautifully every afternoon too. We are such a great team!

Phonics

We have hit the ground running with our learning for the term. Year 1 have started their Level 5 phonics with the /ay/ GPC and have enjoyed hunting for words that use this new spelling and the /ai/ spelling that they knew from last year. Year 2 have started their Level 6 phonics and have added /-y/ to their bank of sounds from last year too. This week, they are focusing on not one but 2 new spellings for the /j/ sound! They're excited for the challenge! We are looking forward to starting children on their new Level reading books soon too.

English

In English we are finishing off our first 'Big Write' of retelling our class text: 'The Girl at the Front of the Class' by Onjali Q. Raúf.

Maths

In maths we are consolidating our counting and number recognition skills, especially remembering which numbers go which way round!

Science

In science we have enjoyed discussing our new topic of seasons; especially Autumn. We have categorised different objects we might see in different seasons and, last week, went on a nature walk around our school grounds. We spotted lots of things that indicated that change is coming!
